

KEVIN LEE

LEAD PRODUCTION ARTIST/DESIGNER

NEW YORK, NY

ABOUT ME

Name is Kevin. Joined the corporate world early 2011, but left a month because it wasn't for me. Joined Jibe in mid 2011 as an Intern, but quickly became a fulltime Designer. Been working there for almost 3 years and loving every minute. I spend a good amount of my day on Kickstarter & Indiegogo. Everyday I try to see if I can pledge on a idea or a new product. I was on the Men's Volleyball team in college and currently miss playing competitive volleyball. If you have a team and need a ringer, contact me!
