

KEVIN LEE

LEAD PRODUCTION ARTIST/DESIGNER

NEW YORK, NY

SCROLL DOWN

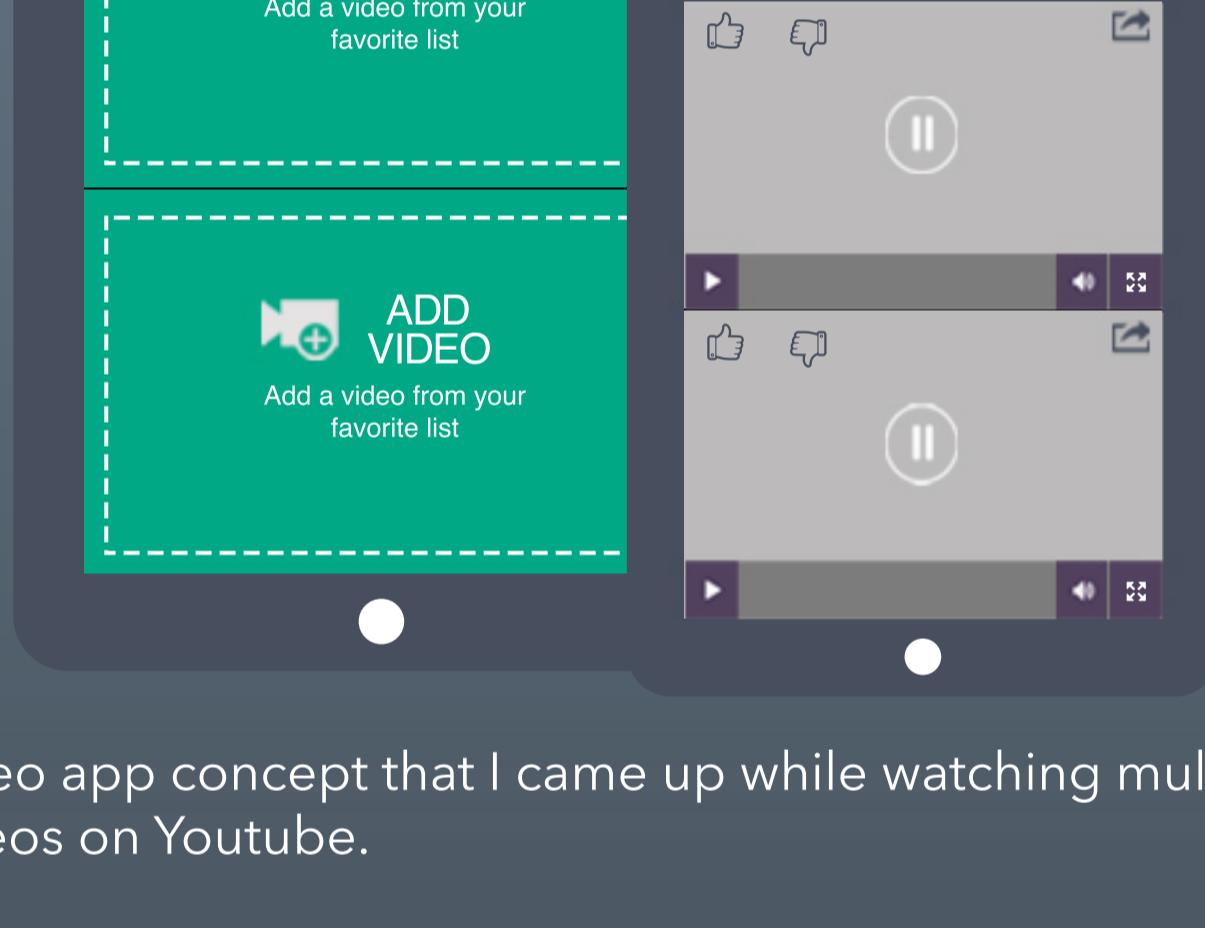

ABOUT ME

Name is Kevin. Joined the corporate world early 2011, but left a month because it wasn't for me. Joined Jibe in mid 2011 as an Intern, but quickly became a fulltime Designer. Been working there for almost 3 years and loving every minute.

I spend a good amount of my day on Kickstarter & Indiegogo. Everyday I try to see if I pledge on a idea or a new product. I was on the Men's Volleyball team in college and

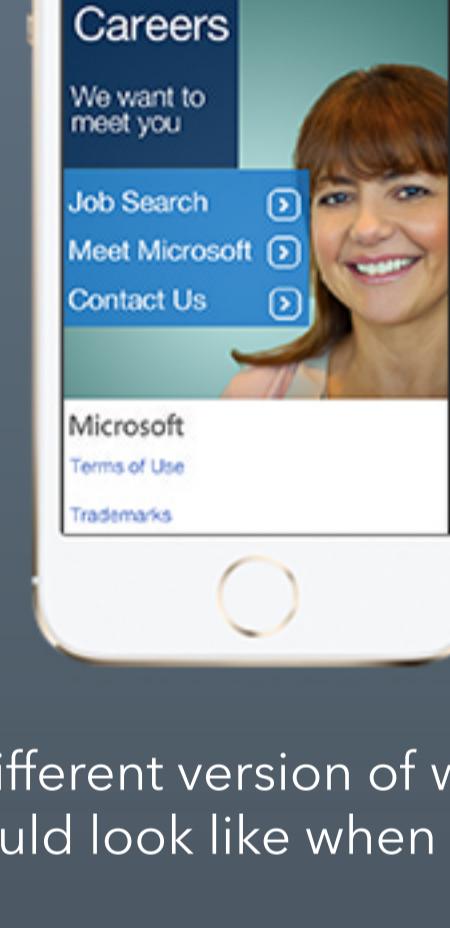

RECENT PROJECTS

Duel Video Player.

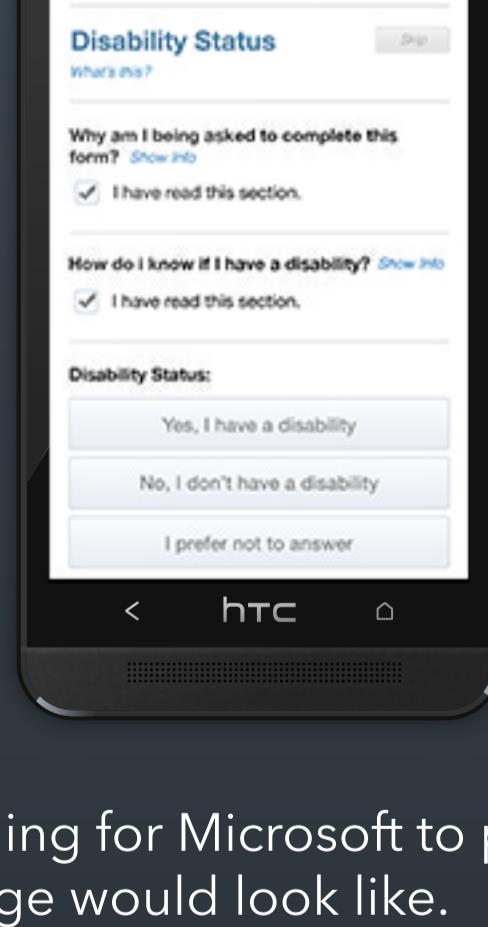

Video app concept that I came up while watching multiple videos on Youtube.

Microsoft Mobile Career Site.

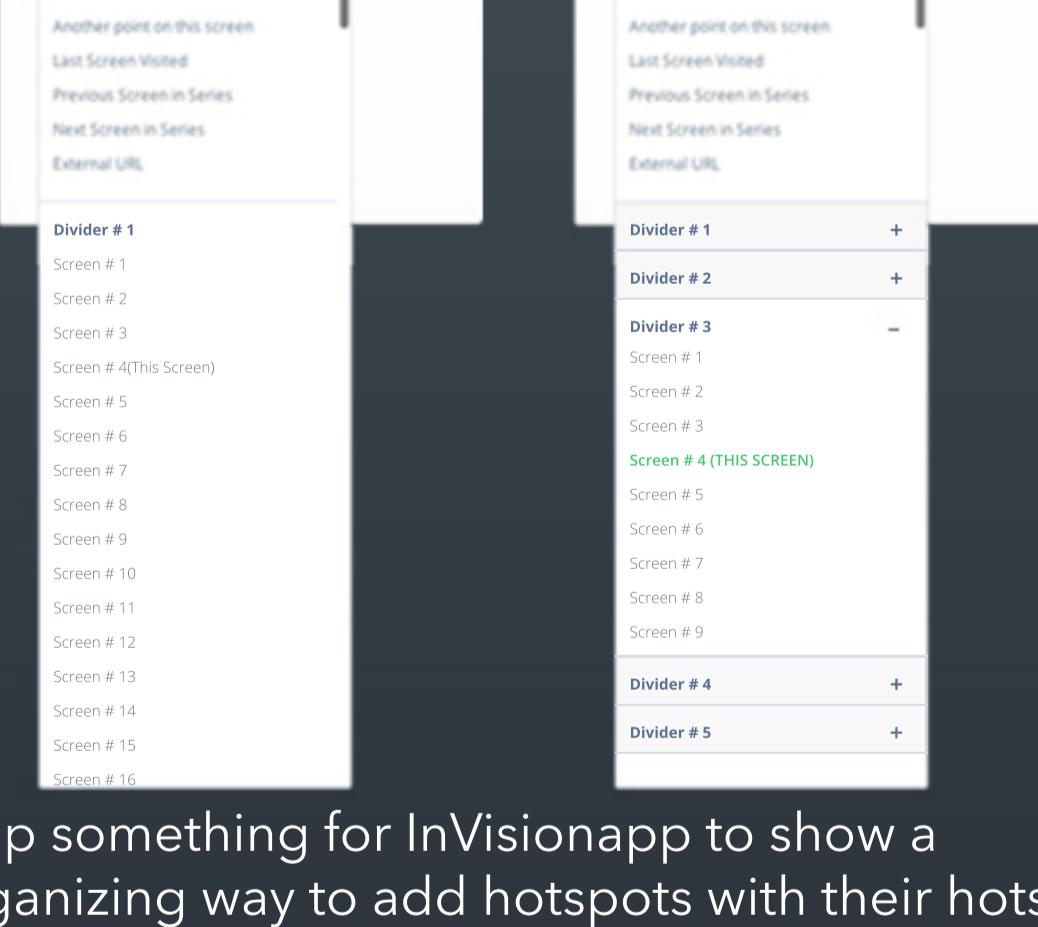

Mocked up couple different version of what Microsoft's mobile career site could look like when visiting their career

Microsoft Mobile Disability Page

Mocked up something for Microsoft to present what would the Disability Status page would look like.

InVisionApp HotSpot Menu

Mocked up something for InVisionapp to show a better/organizing way to add hotspots with their hotspot
